

## **Hospitality rider // Mirja Klippel & Alex Jønsson**

This rider contains our minimum hospitality requirements. Feel free to positively surprise us with sweets, snacks or other local specialities from your area! 😊

### **Travelparty: 2 people**

- We are not strict, but we prefer vegetarian food. So: more vegetables than meat.

### **Facilities at the venue:**

- A private backstage room that the artists can lock with their own key, or that is constantly guarded
- Access to private toilet, mirror and running warm water

### **Around 2 hours before the show:**

- A warm, healthy dinner, no fast food. We are happy and curious to try any local specialities you recommend, as long as they fill the described requirements.
- Still water with food

### **On stage:**

- Still water (NO bubbles – unless you want us to be burping instead of singing 😊)

### **Available backstage:**

- Small healthy snacks (e.g. carrots, fruit, small sandwiches)
- A little bit of something less healthy (e.g. chips, cookies or chocolate)
- A couple of beers (we prefer to try the local beer you recommend)
- Soft drinks (ie. juice, lemonade)
- Coffee and herbal/green tea
- Still water
